

How Creatures Move

The lion walks on padded paws,
The squirrel leaps from limb to limb,
While flies can crawl straight up a wall,
And seals can dive and swim.

The worm he wiggles all around,
The monkey swings by his tail,
And birds may hop upon the ground
Or spread their wings and sail.

But boys and girls
Have much more fun:
They leap and dance
And walk and run.

I. New words

1. Padded
2. Limb
3. Crawl
4. Dive
5. Wiggles

II. Q and A

1. Write all the action words in the poem.

Wiggles, walk, leap, swing, crawl, hop, dance, dive, spread, swim, sail, and run

2. Why do boys and girls have the most fun?

Boys and girls have the most fun because they can do several activities such as leaping, dancing, walking and running.

1. Match the words in Column A with those in Column B.

Column A

Column B

Lions

walk

Squirrels

leap

Flies

crawl

Seals

dive

Worms

wiggle

Monkeys

swing

Birds

hop

2. Now make sentences of your own using the matching words.

Example — The seals dive into the icy water.

3. Arrange these movement words from slow to fast.

crawl hop walk run

4. Underline the letters which are silent in the following words:

walk straight more caught calm talk
