Ans: They face problem in moving over stairs etc. They would not be able to play like normal children.

Ques 4: Do you have ramps in your school on which a wheel chair can move?

Ans: No, there is no such ramp. However, on verandah and the roads around the garden in the school, a wheel chair can move.

Ques 5: Why was Chuskit happy to see the wheel chair?

Ans: Chuskit was happy to see the wheel chair because now she did not need her father to carry her everywhere. Also, now she can come outside on her own.

IV. Answer in detail:

Ques : Write about a wheel chair and a ramp?

Ans: A **wheel chair** is a chair with wheels.

- The wheels of the chair can either be operated by the person occupying the chair or by the electric motors.
- Wheel chair are used by people for whom walking is difficult or impossible due to illness, injury or disability.
- There are handles behind the seat to allow it to be pushed by another person.

Ramp:
