

Lesson:- Our tree

Asa education Asa education

Our Tree

Listen and read

A little bird sees
Ripe fruit on our tree
And eats a tasty berry.
The bird flies tall
And a berry seed falls.

The rains have come
Hurry! let's run.
Clouds, rain and sun...
Our plant is born, a little one

Now a tree,
With branches long,
Crows and bird song,
Crawling ants and spiders' webs,
Caterpillars with tiny legs,
Rich green leaves, life aplenty.

The tree has fruit
Some big, some small,
Let us pluck them
But do not fall!

Crows perch, squirrels run,
And see the monkeys
Having fun!

Strong branches,
With pretty swings,
Our beautiful tree
Has so many things.
