

## Lesson – 24

### Web of life

#### **I. Fill in the blanks:**

1. Plants and animals are living things.
2. Soil, air, water and sunlight are non – living things.
3. A house is made of wood which comes from trees.
4. Bricks are made from water and clay.
5. We get clay from soil.
6. We get water from rivers, ponds, wells or rain.
7. We get food from plants and animals.

#### **II. Match the following:**

1. Plants - Living things.
2. Sunlight - Non – living thing.
3. Animals - Living things.
4. Water - Non – living thing.
5. Air - Non – living thing.
6. Mountain - Non – living thing.

### Home work

**Draw a web of things which are needed for making your today's breakfast**

#### **III. Answer the following:**

##### **1. What are our basic needs?**

We all need food to live.

We get food from plants and animals.

We also need clothes to wear and houses for shelter.

## 2. What is called the web of life?

All living things and non – living things are linked to one another and depend on one another. This is called web of life.

## 3. What are living things?

Things which grow, move from one place to other, breathe, need food and give birth to young ones are called living things.

Eg: Plants and animals.

## 4. What are non - living things?

Things which do not grow, move from one place to other, breathe, need food and give birth to young ones are called non - living things. Eg: Air, sunlight, stone, pencil...etc.

## 5. List the natural things which an animal needs to live.

Ans: Air, water, plants and sun.

## 6. List the natural things we need to live.

Ans: Air, water, sunlight and plants.

## 7. Write few natural and man- made things.

Ans:

| Natural  | Man-made |
|----------|----------|
| Sunlight | Pen      |
| Water    | Paper    |
| Air      | Knife    |
| Plants   | house    |

## 8. Make web of life in the given box like the example shown:

Example:

Plants Need air, sun, water and soil. Rabbit eats plants. Snake eats rabbit.

**IV. Answer in detail:**

- 1. Form a web which shows the things which are required to make our house.**
